The background of the cover features a dark blue grid with a pattern of small circles. Overlaid on this are several data visualization elements: a line graph with a light blue line and circular markers, a bar chart with vertical bars of varying heights, and a curved line graph. Numerical values are scattered across the background, including '69' in the top right, '44.25' on the left, '26.417' in the center, '31' on the right, and '06.381' at the bottom right.

Peer Review Process

In the reviewing process, there are at least two reviewers for each manuscript in the related topic. In addition, author(s) can also propose the candidate of reviewers. Judgments from the first reviewer will be main priority for editor to make decision, if there are only two reviewers. In case of three reviewers, decision will be made from at least two reviewers. Three weeks will be needed for reviewer to complete one round reviewing process.

Generally, the candidate of reviewers will be chosen based on their reputation in the international publication number and quality. Next step, The Editor sends the invitation letter for each candidate of reviewer. After the candidate of reviewer informed their availabilities for reviewing process, Editor create account for each reviewer and then send manuscript by OJS.

All reviewing processes are in blind review and managed by editor in the OJS.
